WHEREAS the Wisconsin legislature has clearly stated in Wis. Stat. 6.84(1) that "voting is a fundamental right. . .but absentee voting is only a privilege" due to the high opportunity and likelihood of voter fraud,

WHEREAS the placement and use of these 500 absentee ballot drop boxes had the full knowledge, consent and endorsement of Speaker Robin Vos and then Majority Leader Scott Fitzgerald -See letter from their attorney dated 9/25/2020;

WHEREAS if the illegal absentee ballots that were counted as a result of being placed in these illegal ballot drop boxes in the City of Milwaukee alone, had not been counted, this change would have produced an election win for President Donald J. Trump in the State of Wisconsin;

WHEREAS nowhere in Wisconsin Absentee voting laws does it allow for the placement and use of absentee ballot drop boxes;

WHEREAS under Wisconsin Law any absentee ballots received outside of the express written processes or procedures of the Absentee Voting Statutes may NOT be counted per Wis. Stat. 6.87(6) "Any ballot not mailed or delivered as provided in this subsection may not be counted;"

WHEREAS a recent republican authored bill which would place more absentee ballot drop boxes throughout the state than were used in the 2020 presidential election, passed in the senate as SB209 and is awaiting a vote in the assembly, while a legislative action which proves with a certainty that these absentee ballot boxes were illegal in November 2020, it also throws into question the mindset of those republican legislators who are in favor of making election violations easier for future voting cycles by passing such unwise and unwanted legislation;

WHEREAS countless voices have called for a real election investigation and a forensic audit and where those calls have fallen on the deaf ears of republican legislative leadership for the past eight months;

BE IT NOW THEREFOR RESOLVED that the Republican Party of Wisconsin demands that Speaker Vos resign his position as Speaker of the Assembly immediately or that the assembly members in each district be directed by their respective constituents, to call for a "vote of no confidence" against Speaker of the Assembly immediately in order to eject him from his current position as Assembly Speaker;

BE IT FURTHER RESOLVED that Assembly members who refuse to vote Speaker Vos out of his Speakership in the Assembly, should themselves either resign or face a primary for violating their oaths of office to uphold all the laws of Wisconsin and the U.S. Constitution.
